

A decorative border surrounds the page, featuring various butterflies and flowers. The butterflies are stylized with intricate patterns on their wings, and the flowers are simple, five-petaled shapes. The background of the border is filled with a fine dotted pattern.

Butterflies flying up in the air

Under leaves they lay their eggs

Then they fly to yellow flowers

Then they fly to blue flowers

Everyone loves butterflies

Red flowers are their favourite

Flutter goes their wings

Lovely butterfly

You are so pretty

Name: Misty Cruse
