Poem

IT ALL BEGAN WHEN

It all began when it rained

I was so happy because today was sport.

It was really cloudy and it looked like it was going to rain.

It started to rain

I wasn't so happy after then.

I'd swear to God to make it stop before sport,

But did it stop at all?

No it didn't

But the school was stuck

The rain had invoked a flood.

The school was transformed into a boat.

It sailed along holding 300 kids and 299 of the except for me screamed

UHHHH!

I put my earmuffs on so then I wouldn't go deaf.

The school started to go down, so did us

In the end the day was funner without sport!
