

WATER

"CALM BEFORE THE STORM"

By: Benjamin Dennison

Newtown High School of the Performing Arts

Drip, Drop, Drip, Drop

Such a peaceful sound

Wish, Wash, Wish, Wash

Swirling all around

Higher and higher the water level rises

All the land is covered, we've got to tread water

Kick, Pow, Kick, Pow

Try to stay afloat

Moving fast, hope we last, think I'm going down

Pulling hard, sinking down, gasping for that breath

Under water, can't get up, I've....got.....no.....strength.....left

Drip, Drop, Drip, Drop

Such a peaceful sound
