

Tyler Donovan of 1L at St Augustine's Coffs Harbour.

It all began when I was young
I could crawl but couldn't brawl.
When I was two I learnt to go do my poos.
Then I turn three I fell over and hurt my knee.
Now I am four, I can answer the door.
At five I am so alive I learnt to dive.
Now Im six I like to mix and play lots of tricks.
I love to swim in the deep blue sea
with lots of dolphins following me.
