

Summer

Tremaine Cotter, Bega High School.

Summer is near

Australian scorching hot weather, oh dear!

Get out you sunscreen, get our shades

Brace for a 39 or even 42

Stuff it, let's hit the beach, just me and you.

A couple of snags on the BBQ

There's hiking, camping and fishing too

There must be at least something for you to do!

"Can you please get me a drink darling"
