"I know how you feel...."

By Tahlia Blakeney T.L.S.C. Berkeley Vale Campus – Year 10

I know how you feel as you hide your face,  
Covered in tears feeling replaced,  
Putting on your fake smile for the world to see,  
I know it fools most but no, not me.

Please let me wipe away your tears,  
You can trust me and tell me your fears.  
Don't try to push me away,  
I'm your friend and I'm here to stay

As you cry yourself to sleep at night,  
I'd love to be the one to hold you tight,  
I promise I can make you smile,  
Just give me a chance you will find out in a while.
