

"I wish I'd never"

I wish I'd never moved here

I wish I'd never come

The Wild West is not for me

I'm more of a city girl

The rooster in the morning is really
bugging me

No malls No big halls just simple stores and
water tanks

The gusty sand is always

Always in my face

No limozines just horses

But wait there's more

The houses are big but ugly

Unlike the cool apartments

And one of the worst things^s about^{it} is the school

Everyone is combined into one class room

The class room is very squishy

That's just the school

But the worst thing about the Wild West

Is the fact that everyone always says
"howdy" instead of "hello"
