

**Lots of Things About Winter by Monique Galla-Laine St Helens Park Public**

There are four seasons in one year.

In Winter there are reindeer.

Sprinkles of water are called rain.

When it rains it goes down the drain.

Sometimes in Winter it is foggy.

Plants and grass go soggy.

If you go out and get your socks wet,

You'll be upset.

You should wear boots, gloves and a beanie.

Don't wear a bikini.

If you don't wear a coat,

You will get a sore throat.

In Winter my family has a fire in the dark.

I like watching the fire make a spark.

Winter can be colder than ice,

But I like Winter because it is nice.
