

The background of the page is a photograph of a sunset. The sun is a bright yellow circle in the center, with a vertical column of light extending down to the water. The sky is a mix of orange, red, and yellow. In the foreground, there are dark silhouettes of trees and a person standing on the left. The water reflects the colors of the sunset.

ESSENCE

Water, rain, snow and ice
Down mountains giving life
Rivers, oceans, flows along
Creeks, dams and billabongs

Thirsty, drink, will survive
Must not expire, stay alive
Extinguish fire, cool us down
Fill the taps in all the towns

Sea snakes, dugongs, crocs
Turtles, fish, birds in flocks
Dingoes, roos, marsupials
Sipping from standing pools

Abalone, loozers, crabs
Mussels, prawns up for grabs
Bush tucker to be found
In the essence all around
