

The Manning River

By Leighton Morcome

Lovely baby
blue
its cold windy
and winter
green- dirty,
muddy on
the bottom.

A swirl of
disappearing.
Windy,
cloudy warm
long pants
and a woolly
jumper.

An extended
chair with
pillows
home n away
the TV show
blasting in
the
background.

A big
hamburger
with stuffed
chicken. in
my hand
beside the
Manning
river
